

Ohio Revised Code

Section 1567.26 Explosives and tools on cages or stairways.

Effective: October 29, 1995

Legislation: Senate Bill 162 - 121st General Assembly

Powder, explosives, and working tools shall not be taken down or up a hoisting shaft in a cage when men are going down or up, nor shall such articles be taken down or up a stairway used for ingress and egress of persons.

No miner or owner, lessee, agent, or operator of a mine shall violate this section.
